## ADDENDUM

07SN0350

Chesterfield County Planning Commission

Clover Hill Magisterial District

North line of Hull Street Road, east and south of the Swift Creek Reservoir

**REQUEST:** Amendment to Conditional Use Planned Development (Case 74SN0021) relative to open space in the Brandermill Community.

**PROPOSED LAND USE:**

Brandermill is a mixed use community which includes residential, commercial, office, public/semi-public and recreational uses. Despite the project receiving the appropriate site and subdivision plan approvals from the County, a recent evaluation of the development revealed deficiencies in provisions of open space, as conditioned by Case 74SN0021. This amendment would correct these deficiencies as well as further limit uses permitted in this open space.

On October 24, 2007, staff received correspondence from the Brandermill Community Association suggesting this proposal subject to a modification of the condition recommended by staff. Staff supports the amended conditions.

**CONDITIONS**

1. The plan titled "Brandermill: Open Space and County-Owned Property" dated June 14, 2007, and the chart titled "Brandermill Residential Communities Open Space Calculations" dated May 7, 2007, shall be considered the Master Plan. Park areas and open space areas shall be provided as specifically identified in these documents, provided however that the amount of park area and open space and the location of park area and open space may be modified to conform with park area and open space designations in recorded plats that have been approved by the county as of October 24, 2007. (P)
2. A minimum of 912.9 acres shall be provided in park areas, open space, and country club facilities, of which a maximum of 241.96 acres shall be contained within rights of way. (P)

3. Park Areas and General Open Space

A. Uses permitted within park areas and open space shall be limited following:

- i. Rights of way, as identified in condition 2 above
- ii. Naturally vegetated and landscaped areas.
- iii. Active and passive recreational uses primarily serving the surrounding residential community, including, but not limited to, walking and biking paths, playgrounds, golf course, pools, tennis courts, social, recreational, and community buildings, picnic shelters and nature interpretative areas.
- iv. Temporary activities and events such as art shows, annual celebrations special outings that support the recreational nature of open space. (P)

**(Note: This condition supersedes Exhibit B, Section 1, Subsection f, Paragraph A, Subparagraphs 1-7, Chart III and Exhibit M of Case 74SN0021.)**

4. Country Club:

A. The Country Club shall be restricted to tract 713.

B. Uses permitted on tract 713 shall be limited to the following:

- i. Rights of way, as identified in condition 2 above
- ii. Naturally vegetated and landscaped areas.
- iii. Active and passive recreational uses primarily serving the surrounding residential community, including, but not limited to, walking and biking paths, playgrounds, pools, tennis courts, and golf course area that is within the tract.
- iv. Included within the country club: social, recreational and community buildings, pro shop, restaurant, child care facilities, exercise room and associated lockers and showers. (P)

5. Any site plan for development to be located in the areas governed by conditions 3 and 4 shall be submitted for review and approval by the Planning Commission. (P)

**(Note: This condition supersedes Exhibit B, Section 1, Subsection f, Paragraph C, subparagraphs 1-12, Chart III and Exhibit M of Case 74SN0021.)**

STAFF'S  
REQUEST ANALYSIS  
AND  
RECOMMENDATION

07SN0350

Chesterfield County Planning Commission

Clover Hill Magisterial District  
North line of Hull Street Road, east and south of the Swift Creek Reservoir

REQUEST: Amendment to Conditional Use Planned Development (Case 74SN0021) relative to open space in the Brandermill Community.

PROPOSED LAND USE:

Brandermill is a mixed use community which includes residential, commercial, office, public/semi-public and recreational uses. Despite the project receiving the appropriate site and subdivision plan approvals from the County, a recent evaluation of the development revealed deficiencies in provisions of open space, as conditioned by Case 74SN0021. This amendment would correct these deficiencies as well as further limit uses permitted in this open space.

PLANNING COMMISSION RECOMMENDATION

RECOMMEND APPROVAL SUBJECT TO THE CONDITION ON PAGE 2 NOTED WITH "CPC".

STAFF RECOMMENDATION

Recommend approval subject to the Condition recommended by staff for the following reasons:

- A. The Brandermill development, which began approximately thirty (30) years ago, has had no apparent adverse impacts resulting from the reduction in open space.
- B. The additional use limitations would insure that open space areas are devoted to uses that best support the Brandermill community.

- C. The Brandermill Community Association Board has endorsed the recommended condition.

(NOTE: CONDITIONS MAY BE IMPOSED OR THE PROPERTY OWNER(S) MAY PROFFER CONDITIONS. THE CONDITIONS NOTED WITH "STAFF/CPC" WERE AGREED UPON BY BOTH STAFF AND THE COMMISSION. CONDITIONS WITH ONLY A "STAFF" ARE RECOMMENDED SOLELY BY STAFF. CONDITIONS WITH ONLY A "CPC" ARE ADDITIONAL CONDITIONS RECOMMENDED BY THE PLANNING COMMISSION.)

CONDITION AS RECOMMENDED BY PLANNING COMMISSION

(CPC)

Open Space

- a. The plan titled "Brandermill: Proposed Open Space Requirements" dated June 14, 2007, and the chart titled "Brandermill Residential Communities Open Space Calculations" dated May 7, 2007, shall be considered the Master Plan.
- b. A minimum of 912.9 acres shall be provided in open space, of which a maximum of 241.96 acres shall be contained within rights of way.
- c. Uses permitted within this open space shall be limited to the following:
  - i. Rights of way, as identified in "b".
  - ii. Naturally vegetated and landscaped areas.
  - iii. Active and passive recreational uses primarily serving the surrounding residential community, including, but not limited to, walking and biking paths, playgrounds, golf course, pools, tennis courts, as well as those uses customarily accessory to these recreational uses.
  - iv. Temporary activities and events such as art shows, annual celebrations and special outings that support the recreational nature of open space.
  - v. Country club facility, which may include the following accessory uses within the facility to serve and support the facility:
    - 1. conference rooms
    - 2. exercise rooms
    - 3. restaurant
    - 4. cocktail lounge
    - 5. offices to provide sales, reception/information centers for the exclusive use for sale/rental of Brandermill property.
    - 6. beauty and barber shop
    - 7. clothing and sporting good sales (pro shop)
    - 8. child care (P)

(Note: This condition supersedes Exhibit B, Section 1, Subsection f, Chart III and Exhibit M of Case 74SN0021 relative to open space, recreation and activity area provisions)

#### CONDITION AS RECOMMENDED BY STAFF

##### Open Space

- a. The plan titled “Brandermill: Open Space and County-Owned Property” dated June 14, 2007, and the chart titled “Brandermill Residential Communities Open Space Calculations” dated May 7, 2007, shall be considered the Master Plan. Open space areas shall be provided as specifically identified in these documents, provided however that the amount of open space and the location of open space may be modified to conform with open space designations in recorded plats that have been approved by the County as of October 24, 2007.
- b. A minimum of 912.9 acres shall be provided in open space, of which a maximum of 241.96 acres shall be contained within rights of way.
- c. Uses permitted within this open space shall be limited to the following:
  - i. Rights of way, as identified in “b”.
  - ii. Naturally vegetated and landscaped areas.
  - iii. Active and passive recreational uses primarily serving the surrounding residential community, including, but not limited to, walking and biking paths, playgrounds, golf course, country clubs restricted to tract 713, pools, tennis courts, as well as those uses customarily accessory to such recreational uses.
  - iv. Temporary activities and events such as art shows, annual celebrations and special outings that support the recreational nature of open space.
- d. Any site plan for development to be located in this open space shall be submitted for review and approval by the Planning Commission. (P)

(Note: This condition supersedes Exhibit B, Section 1, Subsection f, Chart III and Exhibit M of Case 74SN0021 relative to open space, recreation and activity area provisions)

#### GENERAL INFORMATION

##### Location:

All properties located within the boundaries of the Brandermill Community, excluding County-owned properties or commercial properties that do not pay dues to the Brandermill Community Association for maintenance.

Existing Zoning:

R-7, O-2, C-2 and C-3 with Conditional Use Planned Development

Size:

2251.5 acres

UTILITIES; ENVIRONMENTAL; AND PUBLIC FACILITIES

The proposed amendment will have no impact on these facilities.

LAND USE

Comprehensive Plan:

Lies within the boundaries of the Upper Swift Creek Plan, which suggests the property is appropriate for single family residential of 2.0 dwelling units per acre or less; regional mixed use; mixed use corridor; or conservation: open water uses.

Zoning History:

On May 8, 1974, the Board of Supervisors approved the rezoning of a 2,444-acre tract with Conditional Use Planned Development to permit a mix of residential, commercial and light industrial uses (Case 74SN0021). This case established a minimum provision of open space within this project, now known as the Brandermill Community. Specifically, "Chart III" of Case 74SN0021 required a minimum of 981.41 acres devoted to open space and recreation area. This acreage could be modified by no more than five (5) percent. Exhibit M of this same case, titled "Brandermill Land Use Statistics", demonstrated a 4.2 percent reduction in the open space from the "Chart III" acreage, providing 940.08 acres in open space to be divided among roads, parks and recreation, golf and other uses.

On June 6, 2006, an application was filed by Commonwealth Golf Properties, LLC for schematic plan approval to permit multifamily dwellings on six (6) acres occupied by the Brandermill Country Club tennis courts (Case 06PS0428). Through their review of this schematic, staff discovered that the Brandermill development was not in compliance with conditions of Case 74SN0021 relative to the provision of open space, with a deficit of approximately twenty-six (26) acres. As such, staff could not support the schematic request to further reduce the open space. On September 15, 2006, the applicant requested withdrawal of the schematic request.

On October 20, 2006, a Zoning Certificate was issued by the Director of Planning relative to staff's analysis of open space provisions in the Brandermill Community used in preparation of Case 06PS0428. The Ordinance provides for an appeal of staff's decision to the Board of Zoning Appeals within thirty (30) days of the date of this Zoning Certificate. This decision was not appealed.

Given the County's involvement in the approval of the Brandermill development, the Planning Commission initiated the current application to correct this open space deficiency and to clarify uses permitted within this open space.

#### Open Space Area:

Conditions of Case 74SN0021 require the provision of 940 acres of open space. Of this total, approximately 242 acres is permitted in roads, eighty-four (84) acres in parks and recreation, 146 acres in golf course and 468 acres in other open space areas (Exhibit M).

Staff's evaluation of the current open space indicates the provision of 912.9 acres, with 312 acres in roads (with credit for 241.9 of these acres), 473.3 acres owned by the Brandermill Community Association, 173.2 acres in golf course, and twenty-four and one-half (24.5) acres as privately-owned (Reference "Brandermill Residential Communities Open Space Calculations" and "Brandermill: Proposed Open Space Requirements"). As such, there is a deficiency of approximately twenty-seven (27) acres of open space (Reference "Open Space Comparison (Acres)" Chart). This amendment would establish a minimum open space provision of 912.9 acres, consistent with the amount and locations of what is currently provided. (Condition) (Reference "Open Space Use Comparison" chart)

#### Open Space Uses:

Currently, Case 74SN0021 permits open space areas to be used for a variety of active and passive recreational uses and facilities; cultural and special community events; public facilities, such as fire/rescue stations and schools; child care centers, nursery schools and kindergartens in conjunction with schools; offices for the sale/rental of Brandermill real estate; and limited retail uses such as a grocery store and restaurants (Exhibit B, Case 74SN0021). With the proposed reduction in open space, it is important to guarantee that uses within the open space will continue to directly support the needs of the Brandermill community. As such, approval of this amendment would limit the permitted uses within open space to naturally vegetated and landscaped areas; active and passive recreational uses primarily serving the surrounding residential community, including, but not limited to, walking and biking paths, playgrounds, golf course, pools, tennis courts, as well as those uses customarily accessory these recreational uses; and temporary activities and events such as art shows, annual celebrations and special outings that support the recreational nature of open space. (Condition) (Reference "Open Space Use Comparison" Chart)

### CONCLUSION

The Brandermill development, which began approximately thirty (30) years ago, has had no apparent adverse impacts resulting from the reduction in open space. Further, the additional use limitations would insure that open space areas are devoted to uses that best support the Brandermill community.

Given these considerations, approval of this request is recommended with the imposition of the Condition noted with the annotation "Staff".

---

## CASE HISTORY

---

### Planning Commission Meeting (6/19/07):

The applicant accepted the recommendation. There was opposition and support present. Concerns were expressed relative to maintaining the original acreage commitment for open space and the potential impact of the request on Commonwealth Golf Properties. Support was expressed relative to reconciliation of the open space deficiency; documentation and preservation of existing open space; and clarification of open space uses to benefit the community.

Mr. Gulley indicated that the Brandermill Neighborhood Residents Council (NRC) had requested a meeting to better understand the open space analysis; that a misunderstanding existed relative to the application taking away existing open space; and that a deferral would allow for a community meeting to clarify the request.

The public hearing was closed.

On their own motion, the Commission deferred the decision to their August 21, 2007, meeting.

---

### Staff (6/20/07):

The applicant was advised in writing that any significant, new or revised information should be submitted no later than June 25, 2007, for consideration at the Commission's August 21, 2007, meeting.

---

### Area Property Owners and Staff (7/10/07):

A meeting was held to discuss this case. Discussion focused on the calculation and location of open space and current and proposed limitations on the use of open space. Concerns were expressed relative to maintaining existing open space areas and the process by which any future modification of open space regulations would occur.

---

### Property Owner, Staff and Clover Hill District Commissioner (7/17/07):

A meeting was held to discuss the impact of this request upon the golf properties. The Condition was amended to clarify the country club facility as a permitted use (Item v).

---

Applicant (7/28/07):

To date, no new information has been submitted.

---

Planning Commission Meeting (8/21/07):

Mr. Gulley indicated that since the public hearing, he had met with Brandermill representatives who had voiced their support of the proposal.

On motion of Mr. Gulley, seconded by Mr. Bass, the Commission recommended approval subject to the condition on page 2.

AYES: Messrs. Gecker, Gulley Bass, Litton and Wilson.

---

Staff, Brandermill Community Association Board and Clover Hill District Supervisor (9/21/07):

A meeting was held to discuss the proposal. As a result of that meeting, Mr. Warren requested that staff draft an amended condition to clarify that deviations from the open space plan and calculations not be permitted; that the country club use be included under item c.iii. with the other recreational uses and not listed as a separate use; and that any site plans for uses in the open space be submitted to the Planning Commission for review and approval.

---

Board of Supervisors' Meeting (9/26/07):

On their own motion, the Board deferred this case to October 24, 2007, to allow additional time to discuss the proposal with the Brandermill Community Association Board (BCA).

---

Staff (10/17/07):

The BCA and Staff have agreed to an alternative condition outlining the open space requirements.

---

The Board of Supervisors, on Wednesday, October 24, 2007, beginning at 6:30 p.m., will take under consideration this request.
